LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for June 11, 2020;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan; it is hereby

**ORDERED** that the June 11, 2020, initial pretrial conference is **CANCELLED**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

**ORDERED** that the parties shall engage in mediation prior to the filing of any motion. A referral to the Court-annexed mediation program will issue separately. If any party seeks to file a motion following mediation, they shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.2.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
